### **Mental Health Therapist Job Opening**

CCH is looking to recruit a professional, skilled, and responsible therapist to join our team of dedicated and experienced clinicians. Our group practice consists of independently contracted mental health and wellness providers who offer a range of services, including psychotherapy, medication management, nutrition therapy, psychological testing, acupuncture, yoga therapy, and wellness coaching. We also offer supervised training for pre-licensed practitioners and graduate student interns. We recently expanded our space, expanded our services, and are seeking highly qualified providers to join our multidisciplinary team.

Preferred candidates will have some knowledge of trauma-informed care, have solid communication skills, and be interested in continually learning new and innovative ways to provide care to the clients of CCH. CCH values a diverse workplace and strongly encourages women, people of color, LGBTQIA+ individuals, and members of ethnic minorities to apply.

#### **Responsibilities:**

- Create and maintain own working schedule; return client calls and schedule
- Provide outpatient care at our clinic or virtually
- Complete intakes/diagnostic assessment and treatment plans
- Provide individual, group, couples, and/or family therapy individual, group, couples, and/or family therapy to children, adolescents, and adults based on interest and experience
- Build and maintain a caseload of clients
- Complete all required paperwork consistent with organization
- Maintain client medical records and filing documentation
- Participate in monthly consultations and on an as-needed basis with clinic providers

#### **Requirements:**

- Mental Health Professional License (LICSW, LMFT, LPCC, LP)
- A minimum of one year of experience
- Experience in writing diagnostic assessments and treatment plans
- Proficient communication, both verbally and written
- Provide compassionate and sensitive care to all clients served at CCH
- Ability to work effectively with a team
- High degree of organization, ability to work independently, and ability to take initiative
- Proficient computer skills
- Experience working with EMDR and/or other evidence-based trauma therapies (preferred but not required)

#### **Benefits of CCH:**

- Build your own private practice without the hassle! We will take care of all administrative duties for you (i.e., credentialing, billing, and professional development offerings)
- Fully furnished, modern office space that is conveniently located with many building perks (including free gym!)
- Competitive pay
- Frequent collaboration and cross referral within practice to help treat clients holistically
- Referrals and marketing to help build your caseload
- Freedom to develop new initiatives that the practice will help to promote
