Psychiatric Provider Job Opening

CCH is looking to recruit a Psychiatric Provider (Psychiatrist, Nurse Practitioner or Physician Assistant) to join our team of dedicated and experienced clinicians. Our group practice consists of independently contracted mental health and wellness providers who offer a range of services, including psychotherapy, medication management, nutrition therapy, psychological testing, acupuncture, yoga therapy, and wellness coaching. We also offer supervised training for pre-licensed practitioners and graduate student interns. We recently expanded our space, expanded our services, and are seeking highly qualified providers to join our multidisciplinary team.

Preferred candidates will have some knowledge of trauma-informed care, have solid communication skills, and be interested in continually learning new and innovative ways to provide care to the clients of CCH. CCH values a diverse workplace and strongly encourages women, people of color, LGBTQIA+ individuals, and members of ethnic minorities to apply.

Responsibilities:

- Create and maintain own working schedule; return client calls and schedule appointments
- Consult with clients on medication options for the treatment of mental health conditions and prescribe as needed
- Provide education on non-pharmacologic options to compliment medication therapy
- Ensure a safe and healthy working environment; abide by state laws and regulations
- Maintain records and all appropriate clinical documentation
- Attend monthly consults with team

Requirements:

- Appropriate master's or doctorate degree
- Must hold an advanced practice license
- Two or more years of experience
- Advanced knowledge in the organic underpinnings of psychiatric disease and how these can be treated through pharmacology
- Trauma informed
- Proficient computer skills
- Excellent communication skills, both verbal and written
- Excellent people skills; professional appearance

Benefits of CCH:

- Build your own private practice without the hassle! We will take care of all administrative duties for you (i.e., credentialing, billing, and professional development offerings)
- Fully furnished, modern office space that is conveniently located with many building perks (including free gym!)
- Competitive pay
- Frequent collaboration and cross referral within practice to help treat clients holistically
- Referrals and marketing to help build your caseload
- Freedom to develop new initiatives that the practice will help to promote
